

# Northampton Student Core Values

## **Collaborative Culture**

*Working together to create a positive learning environment to achieve our goals.*

Demonstrated daily by being helpful, sharing, taking turns, being a friendly team player, encouraging others, not arguing, and being respectful of other's work and opinions.

## **Grateful Attitude**

*Being appreciative for all I have, in all situations, and for the opportunity to learn.*

Demonstrated daily by saying thank you, being polite, showing respect to everyone, having a positive attitude, being thankful for everyone and everything, being thoughtful and helpful at school and home, giving to those less fortunate, and doing random acts of kindness.

## **Intentional Loyalty**

*Promoting and protecting our school, valuing relationships, and always doing what is right.*

Demonstrated daily by protecting reputations, building relationships, being kind to everyone, honoring commitments, being honest, standing up for others, treating others the way I would like to be treated, and promoting positivity and school spirit.

## **Valuing Creativity**

*Respecting and valuing innovative thinking and expressions.*

Demonstrated daily by supporting and never laughing at the ideas and opinions of others, embracing everyone's creativity and differences, being willing to go above and beyond what is expected, and never stop dreaming big.

## **Empowering Education**

*Accepting the responsibility for my learning and continually striving for greatness in myself and promoting it in others.*

Demonstrated daily by following directions, being on task and engaged in lessons, studying hard, completing classwork and homework on time, taking pride in my work, setting and striving to reach goals, helping others reach their goals, and never giving up.
